

Introducing UberSQUAD

In recognition of the hard work, dedication and loyalty of our top delivery partners, we're launching UberSQUAD – an exclusive loyalty programme that rewards you with higher assured earnings as you complete more trips!

About the programme

UberSQUAD

UberSQUAD is designed to provide top delivery partners like yourself with more predictability in your weekly take home earnings. You no longer have to worry about receiving short trips or delivering during off-peak hours because

The UberSQUAD programme rewards you with **higher assured earnings as you complete more trips!**

As part of a 4-week trial, you've been specially selected to pioneer the UberSQUAD programme from 12 March to 8 April.

What's in it for me?

The UberSQUAD programme rewards hard work with assured minimum earnings. The more trips you complete, the higher the minimum earnings assured.

If your total (net) **base fares + Boost + Quest** earnings for trips completed in the week is lower than the minimum amount assured, a **top-up will be added** at the end of the week to meet the difference.

All other incentives are **additional** to the minimum earnings, and are yours to keep! This includes flash and breakfast incentives, etc.

UberSQUAD

How it works

1

Check your rank

Your total lifetime trips with Uber Eats determines your rank in the UberSQUAD.

Achieve minimum 500 lifetime trips with Uber Eats to qualify for UberSQUAD.

- **Bronze:** > 500 lifetime trips
- **Silver:** > 2,000 lifetime trips
- **Gold:** > 4,000 lifetime trips

2

Complete more trips for a higher tier

At the end of every week, the number of trips you've completed determines your minimum earnings.

- **Tier 1:** 50 - 79 weekly trips
- **Tier 2:** 80 - 119 weekly trips
- **Tier 3:** More than 120 weekly trips

3

Rise up the ranks

Go for GOLD to qualify for higher minimum earnings – up to an average of \$9.20 per trip!

How to calculate

Minimum earnings

Ranks	Minimum average earnings per trip		
	Tier 1 50 - 79 weekly trips	Tier 2 80 - 119 weekly trips	Tier 3 > 120 weekly trips
 Bronze > 500 lifetime trips	\$ 7.40	\$ 7.90	\$ 8.40
 Silver > 2000 lifetime trips	\$ 7.60	\$ 8.10	\$ 8.60
 Gold > 4000 lifetime trips	\$ 8.00	\$ 8.50	\$ 9.20

To calculate your minimum earnings for the week:

1. Determine the rank and tier you qualified for this week.
2. Multiply [minimum average earnings per trip] by [no. of trips completed this week].

→ [Click here for the minimum earnings calculator](#)

Depending on your rank and the number of trips you completed at the end of the week, you will receive a top-up if your actual net earnings* for that week falls below the minimum amount assured.

*Net earnings include total trip fares, Boost and Quest only. *Flash incentives and other special promotions are additional to this.*

Example

Minimum earnings top-up

Let's break this down with an example! Refer to the pay statement on the right.

- Lifetime trips: 3,000 (Silver rank)
- No. of trips completed this week: 93 (Tier 2)
- Minimum earnings assured for the week: $\$8.10 \times 93 = \753.30

• Actual net earnings for 93 trips: **\$698.36**

(Base fares + Boost + Quests ONLY, as highlighted in red boxes).

- This week's top-up: **\$54.94**

PLUS! All other special incentives (dotted black box on the right) are additional to this, and are yours to keep!

**Total take home earnings:
\$773.30**

Alternatively, your net earnings will **NOT** be affected if it is **greater** than the minimum earnings assured.
